

Caregiver – Respite Program

Job Description

Non-profit organization seeking skilled caregivers for high needs children/youth with complex needs such as autism and/or developmental disabilities.

The Children's Foundation's Respite Program is a community resource for families with special needs children/youth age 5-17 years.

If you are willing to give one weekend a month to give a family much needed respite, we would like to meet you. Ideally you would have experience working with special needs children, especially autism, if so please respond.

You would be the primary caregiver working as part of a team caring for a child/youth for 48 hours (one weekend per month). There will be an integrated transition period between the family home and yours supported by child care workers and a program coordinator.

Please send your cover letter and resume to: Helgi Rimmelg and/or Angie Casoria by fax or email.
